West Side Story: In this triumphant legend, love transcends language, time and place. While Manhattan's west side rumbles with the clash of Jets and Sharks, Maria and Tony seek "a somewhere" their romance can thrive. In their revolutionary work that changed the course of the American musical, Bernstein, Sondheim and Laurents bring their award winning genius to the immortal story of star-crossed lovers caught in a turf war of rival ethnic gangs.

**A Fundraiser for Solvang Theaterfest. Proceeds will help ensure the
continued operation and maintenance of the beautiful Solvang Festival Theater!**

**The Solvang Festival Theater, 420 Second Street in Solvang, is an outdoor theater.
We recommend dressing in layers prepared for cool evening temperatures.**
